In Reg: Blocking of Web Account

Gentleman

It has come to my attention that a Staff Member of the Internet Archive as taken upon herself/himself the pretended authority to rule upon what materials may be viewed by the People of The United States of America. What is at issue is my Web Account of:

<https://archive.org/details/@gepperly>

Without getting into details of law, I will make an attempt to address the problem in laymen terms.

1. Corporations exist at the pleasure of the government. The **Internet Archive** is a Corporation. [*Emphasis added*]
2. As Corporations are an Arm or an Extension of government. All Corporations created within the Nation of The United States of America are subject to provisions of the Constitution for The United States of America.

3. Corporations have no authority to alter or amend the U.S. Constitution with pretended Contracts and Agreements. The **Article I** of the **Bill of Rights** comes to mind: [*Emphasis added*].

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; **or abridging the freedom of speech, or of the press**; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.” [*Emphasis added*].

4. This **Article I** is law:

“This **Constitution, and the Laws of the United States which shall be made in Pursuance thereof**; and all Treaties made, or which shall be made, under the Authority of the United States, **shall be the supreme Law of the Land**; and the Judges in every State shall be bound thereby, **any Thing in the Constitution or Laws of any State to the Contrary notwithstanding**.” [*Emphasis added*].

5. **Adolf Hitler** imposed his will upon the **Jews** of his **Nation of Germany** by outlawing the selling and publication of any writing of Books and Publications by **Jews**. To impose his will, he ordered the **Jewish Books** and **Publications** to be destroyed by Book burning parties.
6. Today, we have the same problem, but instead of Book burning parties, we have Censored parties. The excuse being presented is the same in that the writing and video publications by **Jews** are offensive and they need to be destroyed. So it is with **Brother Nathaneal (Milton L. Kapner)**, who is himself a **Jew**.
7. Under the disguise of **Brother Nathaneal** videos being “Offensive” and without review, all 5,000 videos have been labeled as being “**Access-restricted-items**” in one single swoop. I am sure a Judge would like to hear an explanation.

8. Does the Staff of Internet Archive really believe that they have the wisdom and knowledge to determine that I, **Gordon Warren Epperly** (*and other people*) do not have the knowledge and ability to determine what “Videos” and “TV Programs” can, or cannot, be watched?
9. The Staff of **Internet Archive** will be expected to preserve the “Archive” of the “Videos” of **Brother Nathanael** and make them available to the **Public** without restrictions.
10. “**Offensive**” is not an excuse to remove an **Account**, especially when you allow “*Nudity*” with the explicit viewing of “*body parts*” of a “Women.” In fact, every posting of a Video on the **Internet Archive** is offensive to someone.
11. If you are going to use the term “**Offensive**” to take down the **Archive Account** of **Brother Nathanael Videos**, then you had better terminate all **Accounts** of **Internet Archive**.
12. Does the Staff of **Internet Archive** really believe that I, **Gordon Warren Epperly** (*and other people*) are being “*forced feed*” the “Videos” of **Brother Nathanael** without the ability or the means to terminate the playback of those “Videos?”
13. As it appears that **Brother Nathanel** has lost his life, would it not be true that his “works” have the qualifications of being Archived?
14. Are you aware that “**You-Tube**” is working hard to restore the “Videos” of **Brother Nathanael** that were taken down by the “**You-Tube**” Staff? By “Court Order”??

Sincerely Yours

Gordon Warren Epperly
